.....  
 Applicant

The above information is requested in compliance with Regulations under the Pesticide Control Act of 1975. Please supply booklets and documents in which information is given and make reference to them on the form.

In accordance with Regulations ..... this  
 application must be accompanied by:

- a. A copy of labels or all proposed labels used or intended to be used on the container in which the pesticide is to be packed.
- b. A copy of any instructions or of any proposed instruction accompanying or intended to accompany each package of the pesticide;
- c. A statement setting out any information, additional to that given on the label and additional to that contained in the instructions accompanying the package relation to the safety precautions and the type of clothes, facilities and equipment recommended to prevent hazards to persons using or handling the pesticide and;
- d. Documented evidence that the pesticide is being sold for use in its country of origin and whether there are any conditions attached to such use.

NOTE: The Board reserves the right to revoke approval of the pesticide (the licence) at anytime during the approval period if it deems this necessary.
